Preparing for Your Sedation

Remember, nothing to eat or drink EIGHT hours prior to sedation.

Avoid wearing flip flops, jewelry (including facial and tongue piercings), or nail polish.

Wear comfortable clothing and short sleeves. Secure long hair back with a hair tie.

Leave cell phone powered off.

Video recording is prohibited within The Oral Surgery Center.

Your guardian or driver must remain in our office throughout your procedure.

Feel free to ask questions! It's ok to be nervous.

Our team understands this, and they will take good care of you.
